## ROLLING OUT'S 'I AM HIP-HOP' ISSUE PHOTO SHOOT POWERED BY MONSTER PRODUCTS

T.I. and Eric Black

*Rolling out's "I AM Hip-Hop" issue celebration powered by Monster Products at WareHouse Studios was a great way to start off the BET Hip Hop Awards weekend. Some of the biggest names in hip-hop attended this event, which had a twist to it because of the Monster Products photo shoot going on during the event. Producers, artists and DJs had a chance to do a photo shoot with Monster Products. Guests also had a chance to express themselves with Monster Products. T.I. and Stuey Rock stopped by for a studio session with OG producer Shakespeare (the owner of Warehouse Studios). Check out the photos.*
